Dear Ms. Gilbert:

**Greater Toronto Sewer and Watermain Contractors Association and Labourers' International Union of North America, Local 183 – OLRB File No. 0360-21-R**

**Oshawa Area Signatory Contractors Association and Labourers' International Union of North America, Local 183 – OLRB File No. 0482-21-R**

We act for the Greater Toronto Sewer and Watermain Contractors Association (the "GTSWCA"). As you are aware, the GTSWCA filed an application for accreditation in the construction industry with respect to the Labourers' International Union of North America, Local 183 ("Local 183") on May 19, 2021 (OLRB File No. 0360-21-R). The Oshawa Area Signatory Contractors Association (the "Oshawa Group") also filed an accreditation application with respect to Local 183 on June 4, 2021 (OLRB File No. 0482-21-R). There is some potential overlap between the two applications, as both the GTSWCA and the Oshawa Group are each applying to become the accredited employers' organization for employers performing work in the sewers and watermains sector in Board Area 9 (although the GTSWCA's accreditation application encompasses other Board Areas and the Oshawa Group's application encompasses other sectors).

The GTSWCA intends to file an intervention in the Oshawa Group accreditation application. As such, we ask that the Board and the parties ensure that we are copied on all correspondence going forward.

We appreciate your attention to this matter.

Yours truly,

Richard J. Charney  
RJC/ld
