Ms. Catherine Gilbert, Registrar
Ontario Labour Relations Board
505 University Avenue, 2nd Floor
Toronto, Ontario M5G 2P1

Dear Ms. Gilbert:

Re: First Notice of a Project Agreement and Confirmation of Delivery – OLRB no. 0320-22-PR

As the Board is aware, we are counsel to The Ottawa Hospital (“TOH”) with respect to the above-noted matter.

We are writing further to the Confirmation of Filing that was issued earlier today. Specifically, at Schedule “A”, to our surprise and contrary to this Application, the Board included representatives for the International Union of Operating Engineers, Local 793 (Mike Gallagher and Kirsten Agrell).

It is noted that the International Union of Operating Engineers, Local 793 did not receive a first Notice of a Project Agreement, as the list of potential parties to this Project Agreement does not include the Operating Engineers. There were no references to the Operating Engineers in the first Notice that was filed with the Board this morning.

As such, the Schedule “A” to the Confirmation of Filing should not have included the International Union of Operating Engineers, Local 793. We are requesting that the Board remove the International Union of Operating Engineers, Local 793 from its Schedule “A” immediately.

Should there be any questions or concerns, do not hesitate to contact the undersigned.

Yours truly,

EMOND HARNDEN LLP
